

# ISLEHAM WEEKLY NEWS

Week commencing: 6<sup>th</sup> February 2017

## THE RUN-UP TO THE SPRING HALF TERM BREAK

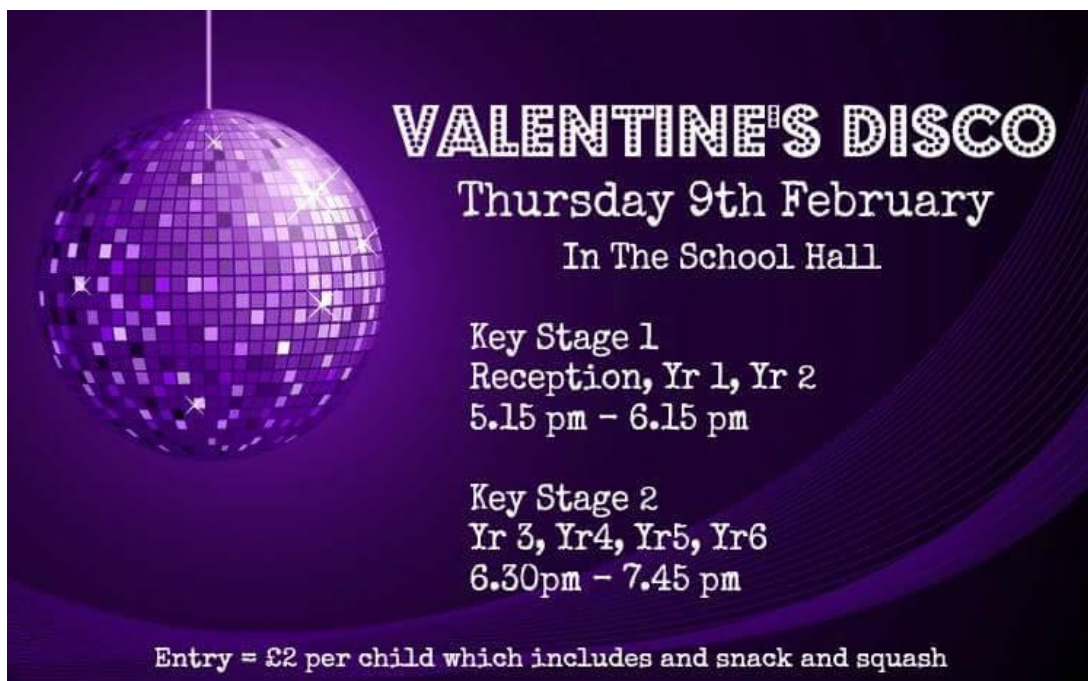

Our parents' evening appointments will run from 4pm-7pm today- Monday 6<sup>th</sup> February and 3.30pm-5.30pm on Tuesday 7<sup>th</sup> February, so please note that there will be **no after school clubs** this week, with the exception of Netball on Wednesday with Mrs Galloway and Fencing on Thursday with Mr Stevens which will take place.

If you have not managed to book an appointment online to meet with your child's teacher, please speak to the office staff who will arrange to book a suitable appointment time for you. Please note that these Spring-time parents' evening appointments are to discuss your child's progress, next steps in learning and their personal targets for the coming term.

Please remember that there will be NO SCHOOL for pupils this Friday 10<sup>th</sup> February as the school is closed for a staff professional development day. We return to school after the half term break on Monday the 20<sup>th</sup> February.

Meanwhile, however, the children can look forward to an exciting start to half term with the P.T.A. Valentine's Disco after school on Thursday- all proceeds will be fed back into the school via the P.T.A.

With best wishes for the half term week ahead,  
Mrs Skillern

## YEAR 1 ENJOY THEIR FINAL VISIT TO THE WOODS TO PRACTISE THEIR 'LITTLE RED RIDING HOOD' DIALOGUES IN A FANTASTIC SETTING

Please find below a few photos of the Year 1's recent visit to the private woods just near the school, which we are so fortunate to be able to visit with the children.

The visits have been very popular with the children and enabled them to enjoy some outdoor learning in a wonderful setting.

Thank you to the owners of the woods for continuing to make this area accessible to the children and staff, and also to all the Year 1 and Year R parents who have bundled their children up ready for the recent visits so that they could keep warm at the woods even in the coldest weather! The Reception children are also pictured below with their natural patterns created with sticks, cones, bark and stones during their last visit.

## KEY STAGE 1 RESOURCES REQUEST

Over the holiday period you might be cleaning up parts of your home and getting ready for spring time. The Key Stage 1 team would like to request some old items for 'upcycling' to use in their outside area. Could you please look for the following old items and bring them into school after the half term holiday?

- old wellington boots
- egg boxes
- disused and old pots and pans
- old kitchen utensils (it doesn't matter of their condition as they are going to be used in a mud kitchen)
- last year's packets of seeds

Thank you for your help.

## YEAR 4 BRASS LESSONS

The Year 4 pupils have got off to a good start with their brass lessons in curriculum time with Mr Wright, funded by 'The Fen or Fifty' local charity partnership. The noise is quite something with all the children playing, so well done to all the children for persevering so far, and to all the Year 4 parents who have been encouraging home practice!

## VALUE OF THE WEEK

In our assemblies this week, we are thinking about our school value of 'perseverance'- keeping going no matter what happens!

## PERSEVERANCE

Hebrews 12.1: *Let us run with perseverance the race marked out for us that is before us.*

Deuteronomy 13.6: *The Lord your God goes with you; he will never leave you or forsake you.*

## HANDWRITING AWARDS

The recipients of the Handwriting award last week were:-

Week commencing:-	Reception	Year 1	Year 2	Year 3
30 <sup>th</sup> January 2017	Louise	Dexter	Oscar	Oliver

Well done to these 4 children for their excellent work in handwriting last week!

**SAFER INTERNET DAY- TUESDAY 7<sup>TH</sup> FEBRUARY 2017**

On Tuesday 7<sup>th</sup> February, we will be celebrating Safer Internet Day with a special assembly, led by our ICT Champions and Mr Walker, reminding the children how to stay safe online.

There has recently been increased media coverage of concerning use of Minecraft by adults for grooming children, which parents may wish to read.

<http://www.bbc.co.uk/news/uk-wales-south-east-wales-38691882> - Paedophile groomed boys online through Minecraft.

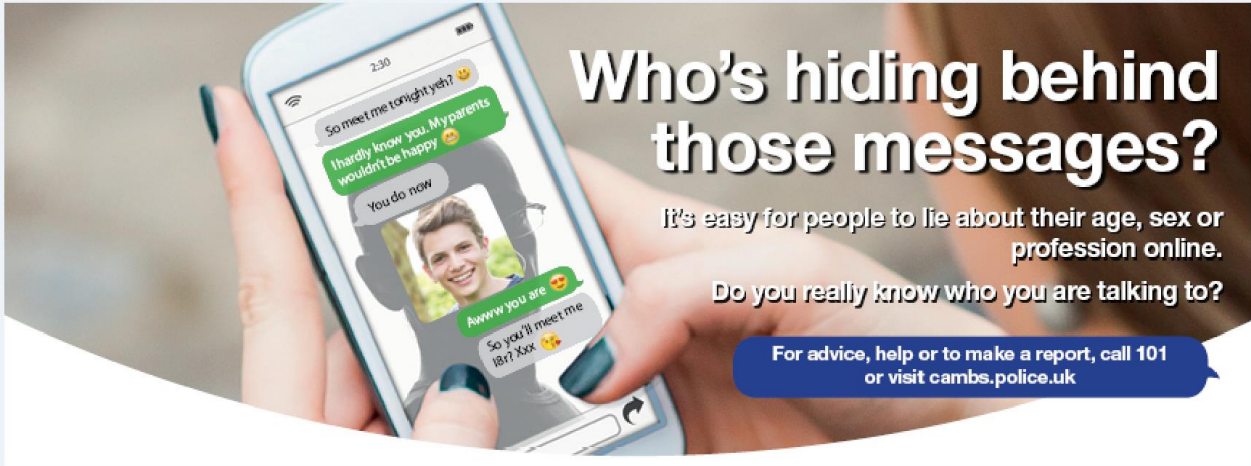

If this is something which you feel could affect your children or which leads you to question how safe your children are online, parents are reminded that they can and should do everything possible to protect children from the dangers posed by online gaming, especially with regard to children giving out too much personal information online, even to gamers or those in chat forums who appear to be the same age as themselves or who are also giving out information about themselves:-

- Be aware of age ratings on some games, and watch game playing as often as possible to check for potentially scary features, child-friendly graphics and inappropriate language or behaviour used within the game.
- Occasionally play the game with your child/ren.
- Try to place online activity in a public part of the house where activity can be seen and heard and not in bedrooms.
- Within some games, it is possible to install a child-friendly graphics option or set a menu option to a 'Peaceful' difficulty level.
- In Minecraft it is possible to access the menu and view a recent history of servers accessed. Some servers are more child friendly than others - check them out/block if necessary.
- Establish some time limits to game playing and suggest activities when game time is finished.
- Talk regularly about the on-screen gaming experience with your child and what others have been saying online.

**Cambridgeshire police are also running a** media campaign this week focussed on staying safe online and particularly on sexting issues. This also coincides with Safer Internet Day on Tuesday 7<sup>th</sup> February.

The police will use their Facebook and Twitter sites with daily blogs posted.

**Who's hiding behind those messages?**

It's easy for people to lie about their age, sex or profession online.
