

# ISLEHAM WEEKLY NEWS

Week commencing: Monday 18<sup>th</sup> March 2019

## ISLEHAM SWIMMING POOL ASSOCIATION SUMMER NEWS

As the summer term is almost upon us, the ISPA turn their attention to the start of the swimming season. As previously mentioned, we are looking to recruit a new committee this year and need a small, dedicated group of parents to take on the role of the ISPA.

I have been involved with the ISPA for nine years and as my youngest daughter leaves Isleham Primary school this July to join secondary school, I feel it is time for me to hang up my goggles! My two fellow committee members have also been dedicated to helping with the running of the school pool for several years and feel it is now time to move on and let someone else have a turn.

The ISPA have contributed every year towards the running costs of the pool, paying half of the bills, and have successfully fundraised towards the maintenance costs involved with the refurbishment of the pool. Fundraising is ongoing for the ISPA with the Co-op community fund this year and a 'Bags 2 School' collection booked for the Tuesday 7th May 2019. I am sure we will also hold a very successful non-uniform day with the extra treat of a cake break too, something else that raises valuable funds and the children can enjoy.

We are so lucky to have a swimming pool on site for children to receive free swimming lessons and the fact that we can offer after school fun swimming sessions is a real bonus. It is such a lovely, fun way for your children to enjoy some extra swimming and fun sessions with their friends, whilst you sit back in the sunshine; you can not only enjoy watching them develop their swimming skills and confidence but get to make friends and meet other parents too. I have had a real passion for the school pool over the last nine years and would hate to see the ISPA come to an end. It has given me so much pleasure over the years to watch my children learn to swim and to make the most of this valuable school facility.

We would like to hold an informal meeting on Monday 25<sup>th</sup> March at 3:20pm in the school hall for any parents who may be interested to come forward. My fellow committee members and I are more than happy to support a new committee this school year and help people settle in to their role.

Many thanks for your time.

Kind regards

Claire Dalton-Cole

## SCIENCE WEEK 2019

Many thanks to everyone who helped to kit their children out for their woodland visits to the private woodlands at Susie's Woods last week- the children had a wonderful time with the staff from Wicken Fen and their teachers exploring the wildlife in the woods. Special thanks to Mrs Eagling for allowing all 205 children to visit over the course of 2 days! And a special well done to Year 5 who managed to enjoy their woodland adventure and still find a great range of minibeasts and creatures despite the torrential rain!

The children also enjoyed some fun experiments in class throughout the week to celebrate Science week. Well done to all our super Scientists!

## ASSEMBLIES THIS WEEK

This week, we will be learning about Jesus' special friends from the book of Luke Chapter 5- the first Disciples and thinking about the Christian value of friendship.
