

Year 6 Homework

Set: 10/9/20

To be completed by: 17/9/20

Spellings:

We are starting everyone off with 15 words from the Year 6 Programme of Spellings and 5 words from the Y5/6 National Curriculum list.

We are aware that there may be pupils who will require different lists as the year progresses, but we would like to see how pupils get on starting afresh with new lists at the start of this new academic year.

On Mondays to Thursdays, pupils will practise 5 words a day in detail in class. Origins of the words and patterns/word families will be discussed along with any top tips to help memorise the spellings.

We encourage pupils not to solely rely on the class practice; topping up with practice at home will help pupils not only recall spellings for the test but also to use the spellings in their day-to-day written work. This level of vocabulary is needed to be embedded in written work for pupils to meet age-related expectation in writing by the end of Year 6.

Year 6 Programme of Spellings:

Hyphens to join prefixes			Word List 6:1	
'non' means 'not'. When added as a prefix it will give the word the opposite meaning.				
'ill' means 'bad' or 'badly'. It means the opposite of 'good' or 'done well'.				
The hyphen can be used to separate the vowels between prefix and the root word.				
non-stick	non-slip	non-drip	non-stop	non-fiction
ill-natured	ill-tempered	ill-timed	ill-gotten	ill-used
re-enter	re-employ	pre-arrange	co-own	co-operate

National Curriculum:

accommodate	accompany	according	achieve	aggressive
-------------	-----------	-----------	---------	------------

There is no expectation to record evidence of spelling practice on class dojo. We will test pupils on their spellings on Fridays.

Reading task:

Thank you to those of you who have been sharing your reading already on class dojo.

This week your task is to click on the link below to have a look at the 'Top 100 recommended Reads for Year 6'.

<https://www.thereaderteacher.com/year6>

Let us know if there are any books you have already read from this list (either independently or with family members) and then choose one that you plan to read from this list (again either independently or with a family member) between now and the end of Autumn Term.

In class we will be reading 'Goodnight Mister Tom' which you can see is on the list!

If you have any concerns over choosing a book or being able to buy or borrow a copy of one of the recommended reads, please do let us know via class dojo so we can help you with copies from school. Many of these titles are in our class or school library.

We hope this will help you broaden and deepen your reading choices and expose you to some authors or genre you may not have previously thought of reading.

Maths Task:

Quickly recalling basic times-table facts will be fundamental to Year 6 Maths.

Please use the link below to play 'Hit the Button'. Click on 'Times Tables and then (using 'Tables up to 12') practice the tables you know require work for **you** at the minute.

Let us know which tables you have had a go at and any score you have achieved.
