

Olympic Legacy Sport Premium Funding 2018/19

Isleham C Of E Primary School

Current numbers on roll: (nor) Reception – y6 = **174**

Total funding received: £17,740 Schools receive PE and sport premium funding based on the number of pupils in years 1 to 6. Schools with 17 or more eligible pupils receive £16,000 and an additional payment of £10 per pupil.

Background

In April 2013, the Government announced new funding of £150 million for Physical Education (PE) and sport. Primary PE and sport premium funding will continue to be doubled in the 2018 to 2019 academic year. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - will be allocated to primary school headteachers. This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools. Schools are free to determine how best to use this funding to improve the quality and breadth of PE and Sport provision, including increasing participation in PE and Sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of.

How to use the PE and Sport Premium Funding

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport offered by:

- developing or adding to the PE and sport activities already offered at school
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Five Key Indicators

Schools should expect to see improvement across:

- the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
- the profile of PE and sport is raised across the school as a tool for whole-school improvement
- increased confidence, knowledge and skills of all staff in teaching PE and sport
- broader experience of a range of sports and activities offered to all pupils
- increased participation in competitive sport

During the academic year September 2018 to July 2019 we plan to spend our funding in the following areas:

- Core Sports Package purchased from Witchford School Sports Partnership*
- Specialist sports instructors from Premier Sport to maintain professional development

- Introduce the 'Daily Mile'
- Additional equipment to increase children's activity levels at playtimes and lunchtimes
- Replace and purchase additional PE equipment
- Additional transport costs
- Hold a non-traditional sports day for KS1 and KS2

**The Witchford School Sports Partnership (WSSP) is a 'not for profit' organisation based at Witchford Village College. The experienced and highly qualified team works closely with schools across East Cambridgeshire and Fenland to support them in raising whole school standards in Physical Education and School Sport. The WSSP also has extensive and established links with partner organisations; these provide enhanced opportunities for schools.*

Sport Premium Spend	Activity	Impact / Rationale for spend and desired outcomes	Monitoring	Impact
Cost calculated for subscription to Witchford School Sports Partnership- Core Sports Package £1500 plus additional transport £485 . Total £1985 . Package of support from Witchford School Sports Partnership*	Participation in a wide range of Witchford School Sport Partnership Key Stage specific Competitions	Increase opportunities to participate in a wide range of competitive and non-competitive sport for all years KS1 – KS2. Enables opportunities to send additional teams e.g. A, B and C teams.	Numbers of children taking part in a range of sporting activities and competitions across the school <ul style="list-style-type: none"> • Cross Country • Tag Rugby & Mega Fest • Circus Skills • Quicksticks • Sport Stacking • Football • High 5's • Tennis • Quadkids Athletics • Pentathlon • Rounders 	Cross Country- The children did so well and many made it round the course. There were some brilliant examples of determination and self-belief. There was a high standard of running throughout the morning so everyone did really well. Year 3 achieved joint 4 th place with Fordham Primary School. Year 4 were also rewarded 4 th place. The A Team achieved joint 2 nd place but finally awarded 3 rd place after the number of tries had been taken into consideration. Two B teams participated in the Tag Rugby Mega Fest.
	Transport to sports events/festivals (up to 5 trips paid for through the Core Package subscription)	Increased participation in sport.	Number of events accessed and numbers of children taking part. Opportunities to maximise good use of the transport credit by sending additional teams (e.g tag rugby and cross country). Opportunities to involve less active children. Health impacts relating to motivation, self-esteem and confidence.	Allocated transport credits to events which we can send additional teams of children.
