

CLASS DOJO CONTENT- YEAR 6

Week commencing: 18th May, 2020.

Welcome to Summer Week 5!

Well done to everyone who had a go at writing a flashback scene. I thoroughly enjoyed reading the variety of scenes that you chose and each one gave great insight into one of the five main characters – well done!

Hope you took time to celebrate on Friday. My bowl of salted popcorn and Ben and Jerry's ice-cream definitely ticked my boxes.

This week, I'm only posting 3 tasks. The main one is the Topic (Geography) task as it's the pulling together and presenting of all the facts you've been researching in the last two weeks. Please have a read of the instructions below so you can choose how to present your findings.

For Maths and English, I've attached 'Challenge' sheets. For each subject there are 20 challenges which you can do in any order either on your own or with family members. Feel free to hand these in as you do them and there is no need to do all 20 for each.

No suggested timetable this week. Just try to chip away at a bit of English, Maths and Topic each day, handing in English and Maths as you go and Topic when is fully complete.

I've not set up activities this week as I don't want to limit how you hand in your work (frequency or media) so just choose the best option for you (text, file, photo, video or draw) and show me what you've been up to.

As always, if you're struggling at all with the tasks I've set or you've finished everything, don't forget there are daily lessons available on BBC Bitesize and you also have your TTRockstars log-ins which are still valid.

Well done for making it to May half term! That's you five sixths of the way through Year 6! It's been so great to see you all taking great independence in your learning during this time of lockdown. I know it's not ideal but you are currently building your skills in self-motivation, self-awareness and self-reflection which will set you up brilliantly for Year 7.

Mrs Deacon will be setting tasks for the May half term which you can dip in and out of as you wish. Mrs Deacon is kindly give me a break from logging into dojo so she will be commenting on your submissions.

Don't forget that starting on the 1st June, you have two Year 6 teachers!!! Mrs Sassoli will be your teacher on Mondays and Tuesdays and you'll have me as normal on Wednesdays, Thursdays and Fridays.

English – Challenge Sheet

Look at the sheet attached below and have a go at some or all of the challenges. Hand in your solutions as frequently as you like.

Maths – Challenge Sheet

Look at the sheet attached below and have a go at some or all of the challenges. Hand in your solutions as frequently as you like.

Topic – Geography

Well done on gathering all your research over the past two weeks.

Now is the opportunity to get creative and present your findings in a tourist-friendly manner.

I have attached a pdf below with some ideas. Whichever idea you choose, always keep in mind that your target audience is a tourist who is wishing to explore 'The Americas' so think about what they need to know and how you can make the information easy to follow.

I look forward to seeing your leaflets, booklets, magazines, ppt presentations and video clips!

Activities for portfolio – none to be set up this week as do not want to limit HOW pupils are choosing to present their work. Pupils to hand in using the media that best suits their task.

Attach:

- English Challenge sheet
- Maths Challenge sheet
- Topic (Geography) tourist prompt examples
