

## DT, ICT, MUSIC AND ART

Our art topic is 'Colour Chaos', where we will look at a variety of artists and the use of colour in their work, and try some of their techniques for ourselves. In DT, we are exploring fabrics, and in Music, we have a blues song to learn.

We very much enjoyed becoming TV chefs in our previous ICT project; learning how to present and film a clip. I'm sure our upcoming topic where we make an e-book of a traditional tale,

will be just as fun!

## Upcoming Dates

Our Class Café will be held on Tuesday 26th of March 2019.

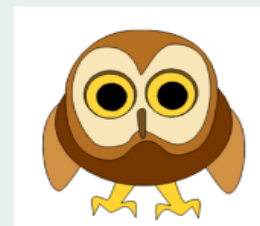

This will be a time for the children to showcase their learning. During this time I will also provide you with information on the Year 1 Phonics Screening in June and ways you can support your child with Phonics at home.

## PE

We will be having PE sessions on Wednesdays and Fridays. Please can I remind you to take out earrings before school on these days and provide appropriate named PE kit so that all children can fully participate.

MANY THANKS,  
FROM THE YEAR 1 TEAM

After half term, in Science, we will learn about human bodies and we will discover some significant individuals who work in hospitals and health. In History, which will include letter writing, we will then look at homes and hobbies of the past and present.

## MATHS

In Maths, we begin with further addition and subtraction practice and move on to measurement, with weight, height, volume and capacity studied.

## HOME LEARNING

In a rearrangement of timings, this term the home learning books and spellings will be sent home on a Wednesday, to be returned on the following Monday. Spellings will be practiced in class and tested on Tuesday mornings.
