Add a comma in the correct places in this sentence and underline the relative pronoun.

Georgia was looking forward to December 21st, which was the day she was leaving for Lapland.

Circle the conjunctions in the sentences below.

When Susan fell off the swing, she grazed her knee.

Grandpa Joe leapt with joy because Charlie now owned the chocolate factory.

Mr Whoops has accidentally jumbled up his verb suffixes. Which suffix belongs to each root word?

Tick all the sentences that contain an adverb of possibility:

- Cassie could be named star of the week. ☐
- Surely, you must agree with me? ☒
- They certainly are a special group of people. ☒

Accept any sentence with an adverb of possibility and am/is/are + -ing verb, e.g. Yusef is definitely pedalling as fast as he can.

Insert ONE comma in the correct place in each sentence below:

In ancient Roman times, only men were allowed to attend the public baths.

Unfortunately, women were not permitted within the building.

'Light' can be used as a verb and a noun. Write a sentence where 'light' is used as a verb.

Accept any sentence with 'light' used as a verb, e.g. Jessica's mum began to light the candles on her birthday cake.

Add a comma in the correct places in this sentence and underline the relative pronoun.

Georgia was looking forward to December 21st, which was the day she was leaving for Lapland.

Now, write a relative clause sentence about a date you are looking forward to.

e.g. I am very excited about 8th July, which is the date of my trampolining party.

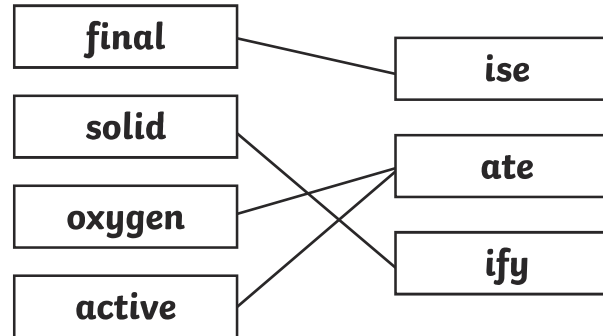

Circle the conjunctions in the sentences below.

When Susan fell off the swing, she grazed her knee.

Grandpa Joe leapt with joy because Charlie now owned the chocolate factory.

After the sunrise, the hikers set off walking so they could reach their destination by nightfall.

Mr Whoops has accidentally jumbled up his verb suffixes. Which suffix belongs to each root word?

Tick all the sentences that contain an adverb of possibility:

- Cassie could be named star of the week. ☐
- Surely, you must agree with me? ☒
- They certainly are a special group of people. ☒

Accept any sentence with any two adverbs of possibility and am/is/are + -ing verb, e.g. Yusef is definitely pedalling as fast as he can and he might possibly win the bike race.

Insert commas in the correct places in each sentence below:

In ancient Roman times, only men were allowed to attend the public baths.

Unfortunately, women were not permitted within the building.

The bath houses, which were beautifully designed buildings, were extremely popular.

'Light' can be used as a verb and a noun. Write **two** sentences; one where 'light' is used as a verb and one where 'light' is used as a noun.

Accept **two** sentences where 'light' is used as a verb and then, a noun, e.g. 'Jessica's mum began to light the candles on her birthday cake.' And 'There was a strange object in the sky that was beaming a light down on the ground beneath it.'
