

Parent Survey Data 2017

A good response was received from parents at Parents Evening following the distribution of the questionnaire. Full data is stored on the Governor Google Drive.

Key questions that Governors looked at in more detail were, with results:

Question	Strongly Agree	Agree	Disagree	Strongly Disagree	Don't Know
My child enjoys school	89	59			
Overall, I am happy with my child's experience at school	83	63			
Sports provision is good at school	64	75	1	7	
There are good musical opportunities for my child at school	61	67	4		15
The school deals effectively with unacceptable behaviour	57	69	8		12

Comments received included:

Thank you for helping XXXXXX to have such a positive start to her school life

Would be good to learn how the children are taught to read in class.

Workshops - Speech and language, phonics, cursive handwriting, maths

Am extremely happy with both children's learning journeys and school experience so far :)

Understanding how maths is taught

The maths workshop was very good in explaining how maths is taught in the school. Anything like this is great for parents - the children sometimes know more than the parents.

All three of my children have settled really well into IPS, it's a fantastic school!

XXXX would like to have an after school club where she can make jewellery and hair accessories

Thank you, I am very pleased with my child's progress

Perhaps slightly more regular open classroom times - maybe once per half term or monthly, rather than just a few each year

Overview of maths teaching

I would love to see the students playing a musical instrument. We are very pleased with the school and staff.

Excellent efforts please continue - Happy healthy children

We feel it is very important, not only to understand the curricular but to understand the way subjects are taught. So any additional information on this would be appreciated.

My son has always been very happy at school in spite of his occasional struggles. He is valued as an individual even when that is being made harder. Thank you!

More trips to the woods and external day trips to museums etc. Sometimes there is not enough time to eat pack lunch and go to clubs. More after school clubs would be good.

Am extremely happy with both children's learning journeys and school experience so far :)

More cookery classes

XXXXXX loves coming to school. We have absolutely no concerns. Thank you :)

Please consider a lunch time science club

Isleham Primary is an outstanding school. The school supports parents and children and has provided my child with confidence to take on the world!

Grateful for any type of parent workshops

Workshop on Yr 6 SATS

Excellent efforts please continue - Happy healthy children
