

ISLEHAM WEEKLY NEWS

Week commencing: Monday 20th June 2022

CLASS ASSEMBLIES

Well done Year 6 for your assembly on Friday last week.

Friday 24th June is our last class assembly of the school year with Year 4 in the hall at 9.10am. All parents and carers are welcome to attend

ASSEMBLIES THIS WEEK

Our assemblies this week will be looking at the theme of Community. Very many thanks are extended to isleham Parish Council for the Commemorative pendants for the Queen's Platinum Jubilee presented to each child last week.

SWIMMING

Please note that unfortunately if your child has experienced sickness or diarrhoea in the past 2 weeks, he or she will NOT be able to swim in a public pool or our school pool. This will help to avoid spreading the infection to other people. Other swimmers can become infected by swallowing a very small amount of pool water if those who have a stomach upset swim too soon. Thank you for supporting us by making your child aware of this in advance of their swim day.

PLEASE DO NOT SEND YOUR CHILD WITH SWIMMING KIT IF YOU KNOW THEY SHOULD NOT BE SWIMMING- it is confusing for them and is causing unnecessary upset for the youngest children on the day.

YEAR 5 NEWS

Last week, Year 5 had two science visitors. They had the opportunity to spend time with an astronomer who answered all their solar system questions and showed them how to make a spectroscope. They also had a visit from Astra Zeneca, where they learnt about how medicines were made and created their own science pictures based on the scientists' work.
